JAMES A. TUTTLE LIBRARY

TRUSTEES' REPORT FOR 1944

The Board organized with Mrs. Miriam W. Roberts, chairman and treasurer and Harrison L. Packard, secretary.

Owing to the fuel situation the Board has found it necessary to close the Library, on Thursdays, a part of the year, and to burn wood in the place of coal.

Feeling that the insurance carried was inadequate the amount has been doubled.

As usual there have been quite a number of books and periodicals donated to the library. Books were received from Miss Mabelle Eldredge, Madame de Pierre Feu, Yale University, Mrs. Ralph Winslow, Antrim Book Club and Cleveland "Plain Dealer". Mrs. H. W. Eldredge gave a complete File of the Antrim "Reporter," Mrs. William Auger, "Life" Magazine, Dr. H. P. Abbott, "Hygeia" magazine, and Mr. and Mrs. Irving Blossom, the magazines "Hunting and Fishing" and "Canadian National Magazine.

The Librarian reported 9687 volumes in the Library, and up to Dec. 9, 7578 books in circulation.

PUPIL DATA

The following pupils were graduated from Antrim High School in June 1944: Geraldine Smith, Inga Fuglestad, Jane Pratt, Lois Black and Clifford Smith (who did his last two years work at U.N.H.).

The following pupils completed the work of the eighth grade in June 1944: Barbara Bean, Donald Bryer, Maurice Cutter, George DeFoe, John Drake, Norma Fuglestad, Harold Lindsey, Robert Lowell, Della Muzzey, Barbara Stacy, Beatrice Wallace, Robert Warren, and Charles Zabriskie.

The following pupils maintained perfect attendance for the school year 1943-44:

Miss Bachelder's Room: None.

Miss Cuddihy's Room: David Chamberlain, June Fuglestad and Nelson Fuglestad.

Mrs. Ross's Room: None.

Miss Arnell's Room: Francis Allison, Norma Fuglestad, Donald Paige and Jacqueline Rokes.

High School: Muriel Pelletier.

North Branch: None.

The present enrollment in Antrim Schools is: Grades 1-2, 26; grades 2-4, 21; grades 5-6, 28; grades 7-8, 21; High School 29; North Branch, 13; total 138. There were 139 enrolled last year and 157 the year before.

GENERAL REPORT

To commemorate the Fiftieth Commencement of Antrim High School, the School Board printed a dignified but very good looking program which contained besides the usual material a letter from a member of the class of 1895 and the Class Ode of 1895. Special seals were placed on the diplomas of the graduates.

Much credit should be given to the loyal women of Antrim who have assisted us in keeping the schools open in these troublesome times. Several married women have accepted regular positions on the staff and this fall several others assisted temporarily until we could find a regular teacher. It is an extremely difficult task to run a home and at the same time do a full time job teaching school. They certainly are doing their part in the war effort.

Due to Antrim's somewhat inaccessible location, its low salaries, the shortage of gasoline, and various other factors, it is difficult to induce teachers to come and remain here. Without the willingness of some of Antrim's ex-teachers to return to the task we might be in a very poor situation. As it is the schools are now operating in a very satisfactory manner. What another year will bring forth no one knows.

Continued repairs are constantly being needed at the present building. The building itself is very unsatisfactory for many reasons. Certainly we should not long forestall the day when plans are considered for a new building so that the children of this community may have the same opportunities that children have in other New Hampshire communities.

North Branch continues to be very well satisfied with the excellent teaching of Mrs. Parker. She has kept on with her teaching in spite of many things which would have stopped a less loyal person.

The problems at the High School grow rather than decrease. The enrollment is now down to 29 pupils which makes the cost per pupil nearly $200.00 while the State Average is $107.00. Many classes have only 2 or 3 pupils in them which is not only expensive but the pupils lose the stimulus which comes from good competition. In these times, teachers cannot be obtained who will teach as many different subjects as would be required with such a small staff, with the result that we have had to teach some classes by correspondence. Our pupils in Antrim have no opportunity to study courses in Home Economics, Manual Training, Machine Shop, Agriculture, etc., such as are taught in many other schools. For this and other reasons many parents are sending their children to private schools rather than to Antrim High School. This problem is real and pressing. It is purely due to circumstances and in no way the fault of the School Board, Superintendent, or Teachers. It needs the careful consideration of every parent and citizen interested in the welfare of the children of Antrim. For further details I want to draw your attention to the Headmaster's report which follows.

In spite of the difficult situations we have passed through I have enjoyed the complete and willing cooperation of the School Board and Teachers for which I am duly grateful.

Respectfully submitted,

HOWARD F. MASON,

Superintendent.

REPORT OF HEADMASTER

January 1, 1945

To the Superintendent of Schools:

The school at Antrim opened on September 5th with an enrollment of 31 in the high school and 99 in the grades. At present the enrollment by grades is as follows:

	Boys	Girls	
Grade 12		4	
Grade 11		4	
Grade 10	6	5	
Grade 9	6	4	
	12	17	29
Grade 8	7	4	
Grade 7	6	4	
Grade 6	5	5	
Grade 5	11	7	
Grade 4	6	7	
Grade 3	5	3	
Grade 2	7	5	
Grade 1	5	9	
	52	44	96

The percent of attendance each month has been between 98.32 and 95.29 during the fall term.

Of the boys that should be included in the class of 1945, one, Stanley Grant is in the University of New Hampshire; two others, Richard Brooks and Thayer Smith have left school with the likelihood of being drafted, one other, Harold Roberts, has gone to Mount Hermon School for Boys along with George Edwards and Donald Madden of the unior Class. There are, therefore, no boys in the eleventh and twelfth grades in attendance at the school.

The calendar for the school this year is as follows:

First term, Sept. 5 to Dec. 22.
Second term, Jan. 2 to Feb. 22.
Third term, Feb. 26 to March 29.
Fourth term, April 3 to June 1.

Holidays include: Columbus Day, Armistice Day, Thanksgiving and the following Friday, and May 30, 1945.

The school is again following the concentrated schedule similar to last year as selected by the majority of the parents. This will make it possible for pupils to work for a period of three months during the summer if they so desire.

The pupils are helping with the war effort by buying war stamps, collecting clothes, paper and milk weed pods. So far this year, they have purchased $934.00 worth of stamps and bonds.

One girl, Shirley Fuglestad, attended the Girl Reserves State meeting in Concord with Mrs. Hall, the sponsor.

Four boys, Howard Humphrey, Robert Dunlap, Robert Allison and Richard Wallace attended the Hi-Y Boys convention in Keene as guests of Mr. William Prescott.

The boys and girls are both benefiting from practice in basketball under the leadership of Mr. Arthur

English and Mrs. Carrol Nichols who have generously contributed of their time and talent.

Because of the continued decrease in total enrollment of the high school and because of a change in the general character of the student body I submit that it is desirable for the welfare of the pupils that more or less important changes be made in the school. Two plans might be considered: Plan one—Consolidation with another school so that the combined school would be able to offer a more varied program and one better adjusted to pupil needs, thus improving the educational opportunities for the pupils and decreasing the expense of a broader program. Plan two—Revise the program to include and emphasize such subjects as home economics, shop and trade courses which would more immediately fit the needs and abilities of a large percent of the pupils and more adequately prepare them to take their place in the community. This would necessitate an expensive change in physical equipment even to the erection of a new building when conditions permit. I hope that serous consideration will be given this problem of revision.

All pupils were examined by the doctor during the fall. Please give attention to the report of the school nurse for further information in this regard.

I wish to thank those parents and citizens who have willingly cooperated with the teachers for the general welfare of the school. A good school can only be maintained with the close cooperation of parents and teachers.

Respectfully submitted,

STANLEY E. SPENCER,

Headmaster.
